PROFESSIONAL PROFILE

Foreign language teaching specialist and director committed to promoting the Francophonie, I combine thirteen years of experience in education, pedagogical management, intercultural coordination and institutional cooperation. My career reflects a deep commitment to didactic innovation, team development and associative governance.

I completed the training program « Diriger un centre de langues, mode d'emploi », earning its diploma and strengthening my strategic, structural and financial skills to consolidate the transformation I have undertaken as head of the Alliance Française de San Cristóbal.

PROFESSIONAL EXPERIENCE

General Director

Alliance Française de San Cristóbal de Las Casas – Mexico
Since October 2024 (8 months)

- Leading an institutional recovery plan: strategic diagnosis, redefinition of pedagogical priorities and financial relaunch.
- Implementation of administrative, financial and HR protocols: contracts, job manuals, banking security.
- Launch of the STAFE project "Potager Innovant": urban agriculture, culinary and environmental education.
- Strengthening of educational partnerships with Institut Parmentier and Colegio La Salle.
- Team supervision, individualized pedagogical support, regular cultural programming.
- Drafting of diplomatic correspondence with the AF Federation and Foundation, crisis management.

Pedagogical Director

Alliance Française de Cuenca – Ecuador
2019 – 2022

- Coordination of internal and external courses, programs, schedules and quality monitoring.
- Management of a team of 12 teachers, pedagogical training and individualized follow-up.
- Organization of official DELF examinations, inter-institutional relations.
- 34.7% growth in student enrollment over the management period.
- In charge of official translations and liaison with local educational authorities.
